THE 24thj ANNUAL CHORRO VALLEY SHOOT-OUT
2018 SASS WESTERN REGIONAL CHAMPIONSHIP

SASS ROI, ROII Class Information

SASS ROI Course – Will be held on Wednesday August 8th, 2018 from 8am to noon.
            Cost: $10.00 per student and $5.00 for current ROI refresher.
Materials required: SASS ROI Course handbook (will be provided), pencil and paper for note taking. The instructor for this course will be Snakebite and he will teaching the course using version 21.6, Feb 2016.

The design and production of this course has evolved from many years of running matches and a need for match to match consistency. Shooters at all SASS matches will benefit greatly by the consistency this course provides. The course material is designed to help clarify and interpret the SASS Handbook. Those SASS members who receive this Range Operations Basic Safety Course training, taught by a certified SASS Range Officer Instructor will be awarded a yellow SASS pin as evidence of satisfactory course completion.

SASS ROII Course – Will be held on Wednesday August 8th, 2018 from 12:45pm to 4:30pm.
            Cost: $25.00 per student and $5.00 for current ROII's refresher.
            Materials required: SASS ROII Course handbook (download and print at: www.sassnet.com), pencil and paper for note taking.
Requirements:
  • Must be a SASS Member.
  • Must have completed SASS Range Operations Basic Safety Course.
  • Must have competed in Cowboy Action Shooting™ matches for a minimum period of six months.
The SASS Range Officer Training Course's objective is to eliminate personal injury during a Cowboy Action Shooting™ match. It is designed to strengthen the integrity of SASS' Cowboy Action Shooting™ safety record. The SASS Range Officer Training course is a risk management program for SASS Cowboy Action Shooting™ matches. The course material is designed to help clarify and interpret the SASS Shooter's Handbook. The instructor for this course will be Cole Younger.

Please register at the class, make sure that you bring the materials listed for each class.
